Cdr Marcia A. Militello, S

Wow! I cannot believe it's June already! Where has the time gone? I was so excited and honored to be able to award our squadron members their plaques at the May meeting. You guys are so awesome and when you pull together—Wow! The Civic Service Award we won is proof of that.

It's time to say goodbye to a lot of our snowbirds, as they head to cooler climes. (Lucky dogs!) The rest of us need to start thinking about preparing our homes and boats for the upcoming hurricane season. Start planning now and stocking up now. I stock up a hurricane food box this time of year and then after hurricane season ends, we use it up and restock for the following year. Be sure also that your first aid kit is up to date. Creams, pills and lotions have expiration dates and can go bad even sooner in this heat. Check out everything now and then you can forget about it and enjoy your summer.

In July we have the D/8 Summer Rendezvous at Sailfish Marina in Palm Beach Shores. 20-22 August is our Annual Clam Dig and then September is the "See the Sea" D/8 Fall Conference. So even though it's summer—events go on!

Our brunch in April was a great success, please let me know if you would like to repeat that this summer. Lt/C Jack McDonough, JN has been handling our Friday night socials. I know there are fewer of us in the summer, but I think this is a great relaxing, come as you are, when you want, event and I look forward to more!

Piloting Class is beginning in August! When you complete and pass this class, you will be reimbursed your \$50 class fee. So you can actually take the class for FREE!! This offer is open to CRSPS members only. Sorry, but Associate Members and members from other squadrons are welcome to attend, but only CRSPS members will be reimbursed upon successful completion. If you've been thinking about taking piloting - now is the time! Let Lt/C Michael Haines, AP know ASAP if you want to attend.

Have a great month, Cdr Marcia Militello, S

It's time to start thinking about Merit Marks –

What is a Merit Mark?

It is recognition of time and effort donated on behalf of USPS. This is the only way USPS can recognize the effort of members and a member can only earn one per year. But there is great pride and satisfaction when a member receives their 5th MM and becomes a 'Senior Member'. Or when a member receives their 25th and becomes a 'Life Member' and no longer has to pay dues. But the true satisfaction comes from serving such a great organization.

Bridge Officers, Executive Committee, Committee Chairs –

Start submitting now so you don't forget all those members who have already helped you make Coral Ridge Squadron great this year. An hour here, an hour there – it all adds up to a merit mark later.

Members – You know best what you've done; don't let your time slip by. You can submit your own hours for work you've done.

Email to eunicehp@bellsouth.net or you can pick up form at the next meeting and send to: Eunice Polloway
