Sail and Power Boating

January 2008

Chartered 17 October 1967

Volume 41 Number 1

## FAREWELL COMMANDER'S MESSAGE

As the year 2007 is coming to a close, so too is my watch as Commander of the CRSPS. I would like to thank my Bridge Officers, the committee chairs, committee members, and the members that worked so hard throughout the year.

There have been many accomplishments during my year as Commander, and we will continue moving forward. This past year has been a demonstration of the resolve and partnership of the CRSPS, evolving and maturing into the kind of squadron it is capable of being.

I sincerely thank and appreciate all who have supported me, not only Coral Ridge Sail and Power Squadron, but also at the National, District, and Squadron levels, and wish my best to our new Commander for 2008.

Cdr Tricia

# Highlights of Squadron Minutes

Submitted by Lt/C Michael F. Haines, P, Secretary

**General Meeting 01 December 2007**

Cdr Patricia Bagan, AP called the meeting to order at 1910. A quorum was present. Minutes of the last general meeting were published, and approved.

XO Lt/C Michael Turner, AP (absent)

SEO (Vacant)

AO Lt/C Marcia Militello, S

A "Thank You" to all who have worked so hard to prepare for tonight's Holiday Party.

Secty Lt/C Mike Haines, P

No new items to report.

Treas Lt/C Robert Schwarm, SN (absent)

Old Business:

None

New Business:

It's time to get down to the business of our Holiday Party.

Adjourned at 1917

## **Executive Meeting 05 December 2007**

Cdr Patricia Bagan, AP called the meeting to order at 1905. A quorum was not present.

Approval of the minutes of the last meeting was postponed.

The Holiday party last Saturday was very nice. "Thank you" to D/Lt Kay Allen, P and D/Lt/C Lena Parsons, AP for their hard work.

XO Lt/C Michael Turner, AP

The Fleet Review will be on 02 March 2008 at Coral Ridge Yacht Club. The contract has been signed, and it will be \$27 per person (see future Newsletters for details).

The Commander's Ball is scheduled for 28 March 2008 at Lighthouse Point Yacht Club.

The contract for the meeting room at Pompano Beach Power Squadron will be signed soon for next year's 10 general meetings at that site.

The Fleet Review will be on 02 March 2008 at Coral Ridge Yacht Club. The contract has been signed, and it will be \$27 per person (see future Newsletters for details).

SEO (vacant)

Cdr Bagan will contact the newly nominated SEO to meet with qualified instructors to schedule classes for '08. Our Publicity chair, P/R/C Ron Friedman, SN will be available for the meeting.

AO Lt/C Marcia Militello, S

The Change of Watch is 09 Jan 2008 at the Pompano Beach Power Squadron building. It will have a patriotic theme.

Uniform "A" is appropriate for the Change of Watch.

Discussion followed on dress code and a "best dressed" award.

P/C Lena Parsons, AP for Secty Lt/C Mike Haines, P

The letter to the chair of the Kiler Fund was available for approval, as requested. However, the Treasurer reported that the contribution for this year was already approved and sent to Cardinal Gibbons High School.

A new Roster, with updated committees, will be published after the Change of Watch.

Treas Lt/C Robert Schwarm, SN

Financial reports are up to date.

Old Business:

D/Lt Kay Allen, P announced that payments for the Holiday party were taken care of, and everything turned out great. Those not able to attend missed a first class party.

New Business:

None

Adjourned at 1930

Respectfully submitted

Lt/C Michael Haines, P

Secretary, CRSPS

Best Wishes go out to D/Lt Roy Teatero, SN as he continues to improve after his major surgery. Get well soon, Roy.

November Meeting  
Chef Gerry and his team after the work is done. Thanks again.

D/Lt Allan B. Furtado, AP, with Pompano Beach Power Squadron, is offering a one-day VSC Seminar for anyone who wishes to become a Vessel Safety Check Examiner. To qualify, one must read the VSC Manual, pass an open book test and perform five joint vessel safety checks with a qualified examiner.

The seminar will be held on 2 February 2008 at 0930 at the Pompano Beach Squadron Building located at 3701 N. E. 18th Terrace, Pompano Beach. There will be a charge of \$5.00 for class materials. (See Pieces of Eight publication Winter 2007 for more information.)

This seminar is open to all examiners as a refresher course. Please contact CRSPS P/C Dean Jackson, 954-491-0012 or D/Lt Allan Furtado, AP, 732-829-0888.

**Coral Ridge Sail and Power Squadron's  
2008 FLEET REVIEW**

**02 March 2008**

P/C Dean Jackson, SN

The new Commander, Michael W. Turner, AP and his Bridge Officers will review the Squadron's fleet beginning at 1115 on 02 March at the Coral Ridge Yacht Club. Members' boats should rendezvous in the Intracoastal, north of the park, at 1045 to receive an instruction sheet specifying their place in the procession and their assigned docking location.

The location of review along the ICW means the possibility of heavy wakes from passing boat traffic. We have requested a patrol vessel to be in attendance. It is imperative that all captains have adequate fenders and secure their vessels carefully to avoid damage.

The Fleet Review is the yachtsman's ritual and should be governed by the highest standards of yachting protocol. Boats should be in bristol condition with lines and fenders stowed. If possible, they should be dressed with International Signal Flags. All on-board guests must wear appropriate boat shoes. Remember to bring your camera!

Fleet Review participants and spectators are invited to a Buffet Brunch following the ceremony at 1230. We will be accommodated in the main dining room.

**Please call the Fleet Captain P/C Dean Jackson, SN**, at 954-491-0012 to register your boat for review by 25 February so plans can be made for docking, etc.

**Use the Fleet Review Reservation Form** in this *Newsletter* for both Review and Meal Reservations. **Mail to Michael Turner, AP**, address provided.

**This event is for ALL members.** If you are a new member, join the fun, enter your boat, ride on another member's boat or watch from the lawn of the yacht club. If you do not have a boat, but wish to view the ceremony from the water, please contact the Fleet Captain, who will make the necessary arrangements. If you have space for additional passengers on your vessel, please advise P/C Dean Jackson, SN.

**We appreciate early reservations for this popular event. Thank you.**

---

The following article was taken from the recent issue of our *Compass*. I felt this valuable information needs to be repeated. The original article was provided by *Stu Soffer U.S. Coast Guard Auxilliary National Marketing Group*.

## Protect your inflatable PFD so it will protect you

Boaters who prefer inflatable personal flotation devices to Type III life jackets often feel that their comfort far outweighs their added expense. However, many may not know how to properly maintain these effective safety devices.

Many U.S. Coast Guard-approved inflatable PFDs are activated by a Halkey-Roberts automatic inflating mechanism with a 33 - or 38-gram carbon dioxide cylinder and round chemical inflator bobbin.

The bobbin dissolves when immersed in liquid. This permits a spring-loaded firing pin to puncture the carbon dioxide cylinder, providing 35 pounds of buoyancy to the PFD in about three seconds.

If the PFD does not automatically inflate, the wearer can manually puncture the carbon dioxide cylinder by pulling the attached lanyard. If this fails, the user can inflate the PFD by mouth using the tube on the upper left side of the inner PFD.

Before donning an inflatable PFD, check that the mechanism is packed in accordance with the owner's manual and that a fully charged carbon dioxide cylinder is in place.

The bobbin only fits into the holder one way. To prevent the cylinder from being punctured, ensure that the holder is completely screwed down before screwing in the carbon dioxide cylinder. When the bobbin holder is properly secured, the firing pin retracts, and a green indicator is visible. If you see a red indicator, something is amiss with the bobbin, or the holder is not screwed down all the way. If the mechanism has no bobbin holder, the PFD can only be inflated manually.

Some models may have a "pill"-activated mechanism and/or a bayonet tip cylinder that requires a one-eighth turn clockwise to a full stop to secure it.

Be particularly careful when inserting carbon dioxide cylinders with bayonet tips. If the carbon dioxide cylinder has not been turned, the mechanism is supposed to eject it. Sometimes you can get a false positive green indicator by pushing the cylinder into the mechanism without turning it. If the cylinder has not been fully turned and secured in place, the PFD will not inflate.

If an automatic inflating PFD mechanism is accidentally activated by moisture, all parts of the bobbin compartment must be thoroughly dried before you insert a new bobbin. Rearming a wet automatic inflating mechanism will cause the bobbin to dissolve and the PFD to inflate.

If you need to immediately rearm an automatic inflatable PFD, you can use a hair dryer to dry the compartment and place the PFD in the hot sun to remove all moisture.

With no bobbin to dissolve, a manual inflatable PFD can be rearmed immediately.

When inspecting an inflator bobbin, make sure the "ridges" are still evident, the bobbin is not cracked and the white fill portion is not discolored. The date on the bobbin's side is the date of manufacture, not the expiration.

In extreme weather, the chemical bobbin may deteriorate in less than 30 days. However, most of us don't operate under those conditions, and the bobbins that come in PFD rearm kits can last years.

When purchasing a rearm kit, ensure the kit is specified for your particular PFD model. PFD model numbers can be found on the inner side near the "U.S. Coast Guard Approved" statement. Always use a correctly sized carbon dioxide cylinder. This is particularly important when rearming belt-pack PFDs, which use a smaller cylinder.

With the advent of hydrostatic inflatables that require no inflator maintenance for five years, PFD technology is improving, but periodic preventive maintenance can still save your life.

For additional information about safety recalls and flotation devices, check the Coast Guard Office of Boating Safety website.

## Let Your Voice Be Heard!

Squadron Activities Meeting: We are again planning a meeting to plan our 2008 activities. P/C Warren Drescher, SN and Nancy have graciously again offered the use of their club house. Date in January TBA.

We will be planning 2008's activities for both land and water. You do not have to own a boat to attend. Just come on over and be heard! We need your ideas, feedback and willingness to contribute. Earn a merit mark and have fun too! Call Lt/C Michael Haines, P (954) 476-0559 to discuss.

**Urgently need Chairperson for the Meetings and Greetings Committee. No experience required. Mike and Shirley will help.**
