Cdr Marcia A. Militello, S

Dear CRSPS Members,

Wow! I cannot believe how fast a year can go by! I am so proud of our squadron! We have achieved so much with just 90 members. Here are some of this year's results you might not know about:

Lt/C Michael Haines, AP with help from his assistant, Lt Bob Redon, P held 9 Safe Boating Classes. These classes are the way we teach and reach the public about boating safety and CRSPS. Lt/C Barbara Pries, S was there every time with snacks for the students and the following helped proctor: D/Lt/C Lena Parsons, JN, Lt Eunice Polloway, AP; D/Lt B.J. Smith, S, P/C Tony Militello, P and the indispensable help from P/D/Lt/C Connie Reisinger, AP and Jean Reisinger, S.

We also added 4 new instructors, so next year, once they can "run on their own" Michael will finally get a little bit of a break. Newest members to complete ID were: Charles Cassini, AP, Lt BJ Smith, S, Lt Norm Smith, P/C Tony Militello, P and myself. This class is a great speaking in public confidence builder, in addition to teaching you how to teach. I would encourage those on the Bridge, people who would like to teach and those who just want to be more comfortable speaking, to take this class the next time D/Lt Anita Walker, JN teaches it.

Lt/C Barbara Pries, S and her helpers did a fabulous job with our dinner meetings this year. I don't think the tables were ever more beautifully decorated. Barbara usually came in at the crack of dawn to decorate. Thank you to all who helped set up and clean up. Lt Eunice Polloway, AP helped as always with membership and worked behind the scenes helping everyone of us.

We had two weekends in Punta Gorda hosted by P/C Tony Militello, P. P/C Michael Turner, JN and Jane Turner, S hosted our annual Clam Dig in Sebastian. Ted and Betsy Kornowski hosted a wonderful evening, complete with a trolley ride. We also had our first on-land Halloween Party. Plus our annual Fleet Review, Commander's Ball and Holiday Party, were all great successes.

P/C Dean Jackson, SN as Vessel Safety Check Chair with his crew completed 65 VSCs this year. Not too bad for only 8 Examiners! This year we added 4 new Vessel Safety Examiners: Lt Ron Friedman, AP, Lt Norm Smith, P/C Tony Militello, P and myself. Be sure to have your boat checked in 2010.

Lt Tom McClave, JN with the help of 20 squadron members, manned the booth at the International Boat Show this October/November. D/Lt BJ Smith, S our Safety Officer, set up a Safe Boating display at District Conferences and at boat ramps during the year. He and his helpers exposed the public to what they need on their boats to be safe and to who we are.

P/C Michael Turner, JN kept our website continuously updated. If you don't look at it normally, check it out. Michael does a wonderful job. His work as webmaster paid off when our Web site once again received the Excellence recognition. There is a wealth of information there and tons of photos. You must check it out!

Lt Shirley Haines, S kept our members informed with the newsletter. I know we all appreciate her efforts on our behalf.

The executive committee was awesome in their continued support. Thank you Donna McDonough, P for all of your efforts on Executive Committee, Auditing Committee, Booster Committee and stepping up when I have asked for help.

There are SO MANY of you, doing SO MUCH for our squadron! I appreciate your efforts so much. I know that many of you are behind the scenes working for all us. Please know how thankful I am for all of you. You are CRSPS! See you at the Fleet Review.

Scheduled Classes

America's Boating Course

9 January

America's Boating Course

13 February

Happy New Year! We had a total of 117 students in the Boating Classes for 2009. This was even more than in 2008! We have another scheduled ABC class on Saturday 09 January, and another to follow on 13 February. With the Florida Law raising the age for required education, effective 01/01/2010, we may see added interest in our classes. Your help in talking to students after the classes could make the difference. The more they learn about our active squadron and our knowledgeable members, the more likely they will be to join. Please stop by and make some new friends.

Some things you might want to consider: helping with the classes is one of the best ways to earn a merit mark (the hours add up quickly); also I propose someone for the "Outstanding Education Award" for their contribution to education during the year. That could be you.

Coral Ridge Sail and Power Squadron's

2010 FLEET REVIEW

21 February, 2010

P/C Dean Jackson, SN

Commander, Marcia Militello, S and her Bridge Officers will review the Squadron's fleet beginning at 1115 on 21 February at the Coral Ridge Yacht Club. Members' boats should rendezvous in the Intracoastal, north of the park, at 1045 to receive an instruction sheet specifying their place in procession and their assigned docking location.

The location of the review along the ICW means the possibility of heavy wakes from passing boat traffic. We have requested a patrol vessel to be in attendance. It is imperative that all captains have adequate fenders and secure their vessels carefully to avoid damage. The Fleet Review is the yachtsman's ritual and should be governed by the highest standards of yachting protocol. Boats should be in bristol condition with lines and fenders stowed. If possible, they should be dressed with International Signal Flags. All on-board guests must wear appropriate boat shoes. Remember to **bring your camera!**

Fleet Review participants and spectators are invited to a Buffet Brunch following the ceremony at 1230. We will be accommodated in the main dining room. There will be a cash bar outside before brunch.

Please call the Fleet Captain P/C Dean Jackson, SN, at 954.491.0012 to register your boat for review by 9 February so plans can be made for docking, etc. Use the Fleet Review Reservation Form in this *Newsletter* for both Review and Meal Reservations. Mail to Cdr Marcia Militello, S, address provided.

This event is for ALL members. If you are a new member, join the fun, enter your boat, ride on another member's boat or watch from the lawn of the yacht club. If you do not have a boat, but wish to view the ceremony from the water, please contact the Fleet Captain, who will make the necessary arrangements. If you have space for additional passengers on your vessel, please advise P/C Dean Jackson, SN. We appreciate early reservations for this popular event. Thank you.

VESSEL SAFETY CHECK

www.usps.org/national/vsc

Vessel Safety Check is every boater's responsibility. CRSPS now has 8 Vessel Safety Officers available for you. For more information on vessel safety please refer to the website above.

VISION

Safe, Responsible & Fun Recreational Boating

MISSION

Minimize the loss of life, personal injury, property damage and environmental impact while maximizing the safe use and enjoyment of U.S. waterways by recreational boaters. The Vessel Safety Check process is one of "prevention through education, outreach and volunteer compliance" helping recreational boaters to gain a respect for the boating environment.

The VSC Program also helps to achieve voluntary compliance with Federal and State recreational boating safety laws, particularly with regard to the carriage of safety equipment while raising boater awareness about safety and environmental issues through voluntary contact by a Vessel Examiner (VE). VE discussions with recreational boaters is designed to motivate maintaining and operating their boats in a safe manner, taking boating safety courses to increase their knowledge and skills in boating, and promoting safe boating.
