Fort Lauderdale, Florida

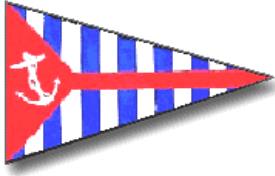

A Unit of the United States Power Squadrons® - District 8

Sail and Power Boating

Chartered 17 October 1967

August 2008

Volume 41 Number 7

Cdr Michael W. Turner, AP

State of the Squadron

Well, here we are half way through the year and I thought it would be a good time to reflect on where we've been and look forward to where we are going.

First and most importantly, Jane and I would like to extend get well wishes to several of our members. Jean Reisinger had surgery and is at home recovering. Marty Martindale is out of the hospital and here recuperating. Mort and Peg Crockett have not been feeling well and unable to attend any functions. Hal Miller fell and has moved to the Health Center at John Knox. Doc Schlitt is still in the hospital but holding his own. Our prayers are with you and your families during these stressful times and we wish everyone a speedy recovery. We miss you all and look forward to seeing you soon. All of you are dear friends and valued members of our squadron family.

What have we done this year as a squadron?

First thing that comes to mind, is the success of our public education courses. We are on track to educate well over 100 students by December of this year. The future looks even brighter with our consistent advertising and promotion of our classes. I look forward to doubling our numbers in 2009. The Grant funds that we were given this year and 2009 will help guarantee our success. Thanks go out to many members who are helping advertise, teach, interview. It is truly a team effort.

Our Boating Safety Committee has presented a boating safety display at the Fort Lauderdale 15th Street ramp in June and we presented Safety and CRSPS information to numerous boaters. We have more of these planned for this year and we need volunteers to help. Not only does it help promote boating safety, it increases our exposure for Vessel Safety Checks and public awareness of CRSPS. Please contact your Boating Safety Chairman to offer your assistance.

Although our membership number is down, our attendance numbers are up for all of our functions. Our general meetings are very well attended and the variety of themes and entertainment are outstanding. There is a lot of work that goes into the dinner meetings and again a truly great team effort by many members. It is so rewarding to see everyone spring into action to prepare, serve and clean up after the meetings. Many hands make light work and we have many hands helping.

The attendance at the executive meetings has been wonderful. This is a very important part of the squadron's work and I thank all of you for constantly attending and contributing to the discussions that keep us running smoothly. I would encourage every member to attend and participate in the squadron's business. We can only improve our squadron by hearing your voice your concerns and by you sharing your ideas with your executive committee.

Although, we have had not had the number of course offerings that I wanted to have by now, we have a Seamanship class starting in September with a Piloting Class to follow soon afterwards. Of course, our never ending JN class still marches on. We would really like to offer one or two elective courses in the fall, so please let your SEO know what course you would like to take next. We have instructors ready to teach, we only need you to sign up.

In October, we have the Fort Lauderdale Boat Show coming up. Your Boat Show Committee has secured us a very prominent booth placement and we are using the USPS professional display booth for our display. We anticipate a very large increase in traffic and visitor interest because of these improvements. Please contact your Boat Show Chairman to sign up to help run the booth. This is going to be a very exciting show for us; we look forward to the increased public awareness of CRSPS from this event.

continued page 2

I mentioned earlier, our membership number is down. This is the trend in the USPS not only locally, but nationally as well. We have recently welcomed several new members and I think you will agree that with everything the squadron is doing in the public's eye, we will turn the ship around in the coming months. National is making moves to increase public awareness by branding USPS to appeal to the younger generations. But, we have to make sure we continue our share of the heavy lifting needed to be a successful squadron. So far I would say you are doing a great job. I appreciate everyone's contributions.

So in my book, the State of Coral Ridge Sail and Power Squadron is as I predicted in January, "Great in 08". I hope you are having as much fun as I am, being a member of the best squadron in USPS, Coral Ridge Sail and Power Squadron! **Honored to serve, Michael.**

"Great in 08"

Executive Officer
Lt/C Marcia A. Militello, S
(954) 791-7342
Marciamkc@cs.com

Happy July 4th! Wow! The July meeting was great! Cdr Michael Turner, AP did a great job of putting together our 50's music, starting with 1950 and moving up year by year. Our 50's dress winners were Garth Brooks, AKA P/C Dean Jackson, SN and Penny Stevens, P. Penny's "hairdo" was a hit and she was a shoe-in to win! CRSPS making memories again!

D/Lt/C Lena Pasons, AP also magically grew long blonde hair and looked great in her jeans, ponytail and tied white shirt. Many other members showed up in their rockin' 50's outfits too, and put on a little dance to try to capture the judges attention. If you missed this meeting...you missed it! Enjoy the pictures!

Lt Tom McClave, JN, our Boat Show Chairman, has gotten us a booth worth about \$1400 for FREE for the October Boat Show. Way to go Tom!!

I am so excited for our squadron and ALL the great working and contributing members we have.

See you in Sebastian!

Marcia

Our Public Boating classes, aka: "Boat Smart", have been quite successful this year largely due to the quality, exposure, and effectiveness of our advertising. Many of our members have participated in distributing flyers and just plain "getting the word out". I thank all of you for your efforts. With your help and enthusiastic support, this job has been as rewarding as I had hoped it would be. We have an advanced grade course being offered in September - "Seamanship". This is a course focused more on actual operational skills instead of rules and regulations. If you have not yet taken this course, give me a call or an email to reserve your seat.

Lt/C Mike Haines, P

Our SEO is hard at work in class with Asst Lt Robert Redon, P and with many other CRSPS helpers!

Editor's Tribute

This month's tribute is to P/C Ellen Ramey, JN and P/C Ray Ramey, JN. I have observed that behind many of our great events are Ellen and Ray. We thank them for all they do!
